

2018 RODEO APPROVAL INFO PACKAGE

CANADIAN SENIOR PRO RODEO ASSOCIATION

The Canadian Senior Pro Rodeo Association (CSPRA), members 40 years and older, was formed in 1985 by a group of cowboys who were interested in the continued growth of rodeo. As well as promotion of the sport of rodeo for these cowboys and cowgirls, it also affords the opportunity for friendly social activities.

The original membership in 1985 was approximately 65 and has been growing steadily since that time to a current membership count of 235. We have members from Alberta, Saskatchewan and British Columbia as well as several American members that represent over 12 states - Nebraska in the east to California in the west and as far south as Texas and Florida. The Association has attracted such rodeo legends as Leo Brown of Cochrane, AB; Fred Gladstone of Cardston, AB; and Bob Robinson of Millet, AB - all inductees into the Canadian Rodeo Hall of Fame. Bill Reeder and Jim Gladstone, who each qualified for the CFR in Edmonton 11 times, are past Canadian and World Champion Calf Ropers. As well Benny Reynolds of Twin Bridges, Montana, who was the only cowboy in North America to hold championships in every major rodeo event also was a member.

The CSPRA currently sanctions 24 rodeos in Alberta and Montana. All of our rodeos are co-sanctioned by the National Senior Pro Rodeo Association (NSPRA). Most of the sanctioned rodeos are sponsored by service organizations or clubs and our membership offers to do all we can to assist committees to have a successful rodeo.

As with all non-profit organizations the CSPRA has a limited source of income. The cornerstone of our income comes primarily from membership fees and the generous sponsorship of individuals and businesses.

OPERATION OF ASSOCIATION

The CSPRA operates under the Societies Act of the Province of Alberta, Incorporation No. 503-9886, with a Board of Directors, President, Vice President, and Secretary/Treasurer.

As well as the promotion of rodeo itself, the CSPRA has a dedicated Board of Directors run under the very capable hands of President Lynn Turcato, of Taber, Alberta, a very active competitor in many events. The remainder of the Board is made up of dedicated men and women who are directors for each rodeo event as well as competitors themselves. The Board meets regularly to discuss issues to assist with the business affairs of the Association. The CSPRA maintains an office with secretary/treasurer within the province of Alberta.

RODEO APPROVALS

Rodeo Committees have the option to hold a Full Rodeo, a Timed Event Only Rodeo or a Roughstock Only Rodeo. The **Rodeo Approval Form MUST be completely filled out and returned, with fees, to the CSPRA office at least 45 days in advance of your rodeo.** It would be most helpful if this approval form be returned 60 days in advance, thus enabling the office to provide more advance notice to the membership as well as assisting with the advertising your rodeo.

RODEO EVENTS - The following events are required in order to host a full CSPRA Rodeo:

- **Ladies Barrel Racing 40-49, 50-59, 60+, 68+**
- **Tie Down Calf Roping 40-49, 50-59, 60+, 68+**
- **Ribbon Roping 40-49, 50-59, 60+**
- **Ladies Breakaway Roping 40+**
- **Men's Breakaway Roping 65+**
- **Team Roping 40-49, 50-59, 60+**
- **Steer Wrestling 40-49, 50+**
- **Bareback, Saddle Bronc, Bull Riding 35-49, 50+**

The CSPRA has the following suggestions;

- If any roughstock riding event has too few entries, the Committee may augment this event with high school contestants for exhibition purposes. The high school rodeo contestants would have a separate purse which can be determined and paid by the Committee. Any added money for high school events is up to the Committee. (\$25.00 is a suggested entry fee)
- We suggest that high school contestants be limited to a maximum of 10 per rodeo.
- High school contestants would ride for 8 seconds and the "Mark Out" rule would apply.

YOUR RODEO INCOME

Each year the CSPRA has a **Rodeo Committee Draw** for a **\$2,200.00 cash prize** that can be used in any way by your committee. Rodeo Committees are the only ones eligible for this draw but they must have their approval forms and fees (\$150.00 per rodeo) submitted to the CSPRA Office prior to March 31st of that calendar year. Other revenue for your committee will include:

- **FACILITY FEE**** – each contestant is charged a one-time facility fee of **\$10.00 per contestant, per location, which goes to your Rodeo Committee.** (eg: 145 contestants x \$10.00each = \$1450.00)
- **OFFICE FEE**** – each contestant is charged a \$7.50 office fee. Of that, **\$5.00 per contestant, per rodeo, goes to your Rodeo Committee.** (eg: 145 contestants x \$5.00each = \$725.00)
- **EVENT FEE**** – each contestant is charged an event fee of **\$5.00 per event entered, per rodeo, of which all goes to your Rodeo Committee.** (eg: 245 entries x \$5.00 = \$1,225.00)

*****NEW IN 2017: A cheque for these three above fees, based on the entries taken, will be included in your rodeo package sent prior to the rodeo. When the rodeo is finalized by the CSPRA Office we will correct for any changes that may have occurred during the rodeo with either a follow-up invoice or another cheque.***

- **In addition**, the CSPRA will subsidize your judge`s fees by \$100.00 per judge, per rodeo. (eg: two 1-day rodeos = 2 judges x \$100.00 each x each rodeo which totals \$400.00)
- **SUPPLEMENTARY INCOME** – Other examples of possible rodeo income would be: sponsorship and donations, grant money (see back page), silent auctions, gate admission (**contestants cannot be charged a gate admission**), breakfasts, dinners, fun events, liquor sales, 50/50 ticket sales.

BUDGETING AND COSTS

STOCK

Keeping in mind the unique characteristics of the participants in the roughstock events, contractors are responsible for providing suitable age-appropriate stock for the two various age groups.

Age appropriate, suitable quality stock must also be provided for the timed events and must be in accordance with the weight limits, quantity, and other requirements listed in the rulebook which you can find online at canadaseniorrodeo.com (*note: new rules in 2018 for team roping stock*).

The Rodeo Approval Representative or CSPRA office maintains a list of stock contractors, judges, etc.

ADDED MONEY

\$300.00 per event is required in the Saddle Bronc, Bareback, Bull Riding and Steer Wrestling events. Team Roping and Ribbon Roping requires a minimum of **\$100 per age category (= \$50 per partner)**. Calf Roping, Men`s and Ladies Breakaway Roping, and Ladies Barrel Racing require a minimum of **\$50 per age category**.

NOTE: If either the Bareback or Saddle Bronc events has less than 3 entries, the two events may be combined for one purse. (ie: only 1 x \$300.00 needed instead of 2)

MONEY SENT BACK TO THE CSPRA OFFICE

Each committee shall remit total monies collected as per the rodeo invoice sent in the committee package prior to your rodeo, along with all completed result sheets, judge`s/timer`s sheets and the bottom half of all contestant entry receipts within 4 days of your rodeo.

Rodeo committees may either have contestants make their entry fee cheques payable to their committee, if that is easier or helps them with grants, or to the CSPRA, the choice is yours. Either way, the total amount listed on the rodeo invoice must be sent in to the office.

OTHER INFO

RODEO PERSONNEL

The CSPRA requires that each committee provide experienced rodeo personnel (ie: judges, timers, announcer, rodeo secretary, and stock contractors) all of which are required to have a \$25 (+GST) CSPRA Associate Membership. They must also supply a gate man and help in the arena and sorting pens. The CSPRA Office will be more than happy to assist in any way by providing names of qualified personnel. You will also find most contestants are more than happy to assist in any way they can at your rodeo. We require that all judges wear the sponsor vests supplied by the CSPRA.

AMBULANCE

An Ambulance along with an EMT (Emergency Medical Technician) or higher, **MUST be available on site at your rodeo** (as per rule 8.a on page 17 of CSPRA Rulebook) **for all performances and slack.**

INSURANCE

Each Rodeo Committee must have their own Liability Insurance and furnish the CSPRA with a CERTIFICATE of INSURANCE clearly showing the CANADIAN SENIOR PRO RODEO ASSOCIATION is NAMED as an ADDITIONAL INSURED on the policy. This certificate must be sent to the CSPRA office at least 45 days in advance of the rodeo.

A rodeo package shall be sent from the CSPRA Office to the Rodeo Secretary prior to your rodeo. Within 4 days of completion of your rodeo you must return the package along with the following:

- Completed payout calculation worksheets for each event showing results

- All monies from rodeo receipts, memberships, added money, etc, as per included rodeo invoice

AVAILABLE GRANT MONEY FOR AMATEUR RODEO

The Alberta Government has a Grant Program in place enabling Agricultural Societies, who qualify, to receive assistance with expenses incurred in producing Amateur Rodeo. Canadian Senior Pro Rodeos are eligible for this grant.

In order to be eligible to receive this grant your rodeo must be produced by an Ag Society or have participation by an Ag Society. The percentage of expenses you may be eligible for (approx. 22%) would make this well worth pursuing. For information on this program go to www1.agric.gov.ab.ca.

If you have any questions regarding hosting a CSPRA Rodeo, please call me at 403-807-3269.

Sincerely,

*Craig FitzPatrick,
CSPRA Rodeo Committee Representative*
