

Letter from President Elect, Neil Howard, to all CSPRA Members

Tuesday, Nov 24, 2020

As our year is coming to a close it is time to reflect on the 2020 season and start to focus on 2021. As an association comprised of members over 40 years of age, we rely on the membership drive to survive. Knowing the fact that without the CSPRA our playground is very limited I encourage everyone to get their membership and put forth their inputs to the directors. To me this is a family affair, everyone that attends our functions get to be a part of a great community.

I would like to take this time to thank our Board for the efforts put forth this year. In a roller coaster year, they made decisions that gave us an opportunity to play. Countless hours of monitoring the pandemic reports, setting strategies to try and protect the members, working with the committees to proceed ensued. My great appreciation goes to the membership that participated at the 2020 rodeos and to those that were unable to be involved for their health concerns. As far as I am aware, we remained covid free. Also, a huge THANK YOU to the committees that forged ahead and put on their rodeos!

We have no way of knowing what 2021 will bring but let's prepare for a great year. I would like to invite our people that were unable to join with us this past year to come out and enjoy again. We do miss all of you.

Looking forward to seeing everyone in the new year and may everyone have a safe and merry Christmas... Neil
